Whole class workshops Three workshops for Y6 preparing for secondary school. Term 1: Feelings around change Term 2: Taking Control Term 3: Moving Forward	Three whole class workshops taking place across the year; one each term. The first workshop explores the multitude of feelings that choosing schools and getting older can bring. The second workshop looks at taking control of emotions and developing strategies to manage worries. In workshop three we identify and use our strengths to get organised, explore expectations for secondary school and moving on in a positive way.	**E-mail:** **safetynet@impact-initiatives.org.uk** Spaces are limited!
