

Find out more about Self Advocacy groups for people with learning disabilities

Impact initiatives support 4 self-advocacy groups for adults with learning disabilities. The groups meet once a month to talk about the things that are important to them, make friends and work together to change things to make life better for themselves and all people with learning disabilities.

Please get in touch with your local group if you would like to find out more.

Worthing Speakabout meet on the 4th Thursday evening of every month and have informal meetings every Monday morning at St Paul's café in Worthing.
